

REEF

What is art?

ABSTRACTION

Do you have anything to say about your art?

PORTRAITS

Should art be used to express beauty and ugly?

Y7

I will learn about the visual elements of art and colour theory. Whilst developing my skills in drawing and modelling.

I will learn about composition and how music can be used to create artworks whilst developing my watercolour painting and learning to mono print.

I will learn about proportion, measuring and photomontage whilst producing a self portrait.

Should art be used to influence political, religious, environmental views?

MEXICAN

Are you afraid of certain subjects, styles, media?

MATISSE

Why do you create art?

POP ART

I will learn about the 'Day of the dead festival' and what sgraffito is. I will learn more advanced sculpting techniques.

I will learn about how to express my art through pattern, shape and colour. I will explore stencil printing methods.

I will learn about a modern art movement whilst developing accuracy in observational drawing, enlarging sculpting.

Y8

SURFACES

Is the end result more important than the process?

TOOLS & TYPE

Does your art contribute to society? Should it?

BUILT ENVIRONMENT

Is a person born an artist or made an artist?

Y9

I will learn about different methods of drawing and how to show different textures in particular reflections. I will create my own backgrounds for prints and use my numeracy skills in my art.

I will learn about meaning in art and about the limitations of a range of media, tools and techniques.

I will learn how well I use and build my memory, I will explore and create my own abstract ideas and work. I will use safe lino printing practices.
