Dear Parent / Carer

## **Food Preparation and Nutrition GCSE**

As your child has opted to study Food Preparation and Nutrition GCSE, we are able to offer students the opportunity to purchase a CGP revision guide at a competitive price which they can use as their own and keep. In the past we have found this encourages students to work more independently both at home and at school

The Food Technology department tries to keep stock of some basic provisions such as flour, sugar, oil, seasoning, herbs etc to provide your child with some basic resources. In order for us to continue to do this, we would like to ask for a small contribution of £5.00 per student please. This amount would cover the two year period of study for your child. Your child will still be expected to bring in his/her ingredients as set on show my homework.

If your child is on the Pupil Premium register, funding may be available to help towards the cost.

Yours faithfully

A handwritten signature in black ink, appearing to be 'K Bushell', written over the 'Yours faithfully' text.

K Bushell (Mrs)  
Food Technology Subject Leader
