Dear Parents/Carers

## Year 10 Summer Term PSHE Lesson Curriculum Overview

As a part of your child's education at The Ramsey Academy, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme delivered in lessons.

PSHE education is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential. I am writing to let you know the curriculum overview for PSHE lessons in Year 10 during the Summer Term is as follows:

Summer Term
<b>Relationships:</b> Addressing Extremism and Radicalisation- During this unit students will learn about communities, belonging and challenging extremism.
<b>Living in the Wider World:</b> Work Experience- The last half term of year 10 students will learn about readiness for work and evaluate work experience.

I would like to remind all parents that students may seek additional support if required, from our pastoral team. This includes the Tutors and Pastoral Managers: Mrs Ayres, Mrs Jolly, Miss Retter and Mrs Koster.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. As a school community, we are committed to working in partnership with parents/carers and we welcome any feedback that you may have.

Please do contact me if you would like to find out more about what your child will learn and/or view materials and resources being used in lessons.

Yours faithfully

D Pearce (Miss)  
Subject leader for PSHE
