Students should follow the above timetable. During these lesson times, teachers will be available and will engage with students via chat.

Your school timetable informs you what subject you have in each option block. For example, if your timetable says “10A- History” that means you have History in Option A; if it says “10A – PE” you have PE in that block; and so on.

PD/ Careers lessons will run in tutor groups.

Assemblies will be pre-recorded and will be available once every 2 weeks
