### The present tense of regular -er verbs

The present tense is used to say what happens or what is happening.

With regular -er verbs, the verb endings are: -e, -es, -e, -ons, -ez, -ent. The -er infinitive ending has to be removed before the correct present-tense ending is added.

je travaille	nous travaillons
tu travailles	vous travaillez
il / elle travaille	ils / elles travaillent

soi-disant	supposed(ly)
souffrir	to suffer
vendre	to sell
viser	to aim
le vol d'identité	identity theft

### The present tense of common irregular verbs

There are a number of verbs in French that do not follow the usual pattern.

Some have an unexpected verb stem in the present tense, e.g. *envoyer* – to send – *j'envoie*.

Some have an unexpected present-tense ending, e.g. *partir* – to leave – *je pars*.

Some have an unexpected stem and ending – *aller* – to go – *je vais*.

### 'It' and 'that': ce, c', ça

Ce and c' are often followed by est or sont:

*C'est une souris.*  
It / That is a mouse.

*Ce sont des gadgets.*  
They / Those are gadgets.

Ça is used in phrases:

*C'est quoi, ça?* What's that?

*Ça, c'est mon nouveau smartphone.*  
That's my new smartphone.

*Ça va.* It's / I'm ok.

*C'est ça.* That's right.
