

- Looking for a paid internship for June/July 2016?
- Would you like to earn £1800 over six weeks?
- Have you considered working within education?

The Professional Learning Network is offering the opportunity for 20 undergraduates in their penultimate year to take up a six week internship in a school in Essex during June and July (and still have your summer break!). These funded places are available following interview and can lead to a career in teaching commencing after graduation.

Working alongside qualified teaching staff within Physics and Maths, you can experience working in the Secondary Education sector in vibrant, innovative and exciting schools.

We are offering taster mornings during January and February to visit our partner schools in advance of application.

Interested?

Please contact Ann Wilks, the Director of the Professional Learning Network on 07917 734531 or directorpln@gmail.com to book a taster session, for an application pack or for more information.
