Dear Parents/Carers

Years 7 & 8 Information Evening
Wednesday 27 January - 6.30 - 8.00 p.m.

As a school we value enormously the support we receive from the parents and carers of our students. We always try to ensure that information is shared and that we work together to provide the best possible education for your children.

There are always changes occurring in education and as a school we need to ensure we keep pace with these. Recent examples have been changes which impact the way we report progress to you and about the monitoring of attendance.

I would like to invite you to an information evening for parents. At this event we will cover a number of areas which affect your children's education. These will include:

- Reporting and Target Setting
- Internet Safety
- How we assess your children's work
- The Growth Mindset
- Attendance
- Helping with Homework

I really would urge you to attend this evening as I now it will be of great value. If there are topics additional to those above which you feel we should cover on the evening please do not hesitate to contact me.

Yours faithfully

C P Leys
Deputy Headteacher
