Daniel Gee

March 2013

Dear Parents/Carers

I am writing to you to ask for a voluntary small financial contribution towards and MFL resource.

In order to prepare our students for the GCSE exams, it is important that they practise as many papers as possible to give them confidence in the language itself, but also to give them confidence in the exam hall as it can be a frightening experience.

Like the saying, "To relax you need to feel confident, to feel confident you need to know what you are doing".

AQA, the exam board which we use, is offering Online Progress Tests. The students get the opportunity to practise GCSE papers online and once the test is submitted they get instant feedback on their performance. As a MFL department, we feel that using this tool would be ideal for our students in supporting them in their learning and consequently higher achievements.

The annual subscription is £200 and we would like to ask for a voluntary contribution of £2.50. If you are able to support us in obtaining this online progress tests tool we would be very grateful for this. If you are willing to make a payment you can pay via the sQuid system or, as this is a small amount, on this occasion we are able to accept cash. If you have any queries regarding sQuid please contact Mrs Hill (Finance Office).

The MFL department feel that this additional resource is worthwhile buying to support independent learning and interactive learning.

Thank you very much for your support in this matter. You can find more details on www.aqa.org.uk.

Yours sincerely

C Starke (Mrs)
Head of Global Faculty
