Headteacher:  
Daniel Gee

16 January 2013

Dear Parent/Carer

## RE: PROJECT ASPIRE

As your child receives free school meals, they are also eligible for extra funding to help with the cost of school trips.

Each student that receives free school meals now receives an additional allowance of £200 per school year to spend on educational trips, extra-curricular activities, music lessons and educationally related equipment.

### How Does it Work?

Next time an opportunity arises that you would like your child to take part in, fill in the reply slip for the trip/activity as normal, but mark the return envelope and reply slip with 'Project Aspire' and return to the main office.

Alternatively, if you would like to apply for funding towards an extra-curricular activity, music lessons or equipment, please write a short letter and return to the main office marked 'Project Aspire'.

Applications will be looked at on a fortnightly basis. If you feel your application needs more immediate attention, please contact Deborah Hill in the finance office on 01787 472481.

You **will not** receive any confirmation if your application is successful, but if your application is not successful we will contact you via phone or letter.

Yours sincerely

C Leys  
Deputy Headteacher
