Headteacher:
Rob James

Dear Parent/Carer

Year 7 Target Setting

For every subject your child studies we will set a target of what we would expect them to achieve when they sit GCSE examinations in Year 11. This enables us to continuously monitor students' progress.

For each subject students are given an expected 'Flightpath'. This indicates the grade we would expect at GCSE, assuming satisfactory progress is made. To set these Flightpaths we use Key Stage 2 results from primary school, baseline assessment data which has been carried out in lessons last term and the professional judgement of subject staff.

We feel it is important to discuss these Flightpaths with parents and students to ensure all are fully involved in the process.

To this end, you are invited to come into school on Thursday 8 November at 5.30pm, where you will have the opportunity to discuss the Flightpath information with either your child's tutor, Raising Standards Leader or a member of the Senior Leadership Team.

Yours faithfully

C Leys
Deputy Headteacher
