Dear Parent/Carer

## Year 10 – Apprenticeship Information Event

Colchester Institute and the Braintree IAG Cluster Group, comprising seven schools are holding an Apprenticeship Information Event on **Thursday 7 March 2019** at The STEM Innovation Centre, Braintree College, CM7 5SN from 9.00 a.m. – 3.00 p.m.

There are a huge range of employment and training opportunities for our students as they move on beyond Year 11 and it is vital that they are given as much information as possible to broaden their thoughts about further education and worlds of work that are out there. The event will host representatives from a range of public and private sector employers, as well as universities, local colleges and training providers.

Year 10 students have been invited to visit the event in order to get a deeper understanding of the range of apprenticeships on offer including higher and degree level apprenticeships. We encourage you to discuss this event with your son/daughter and encourage them to continue to research and think about ideas for their future.

**They will be departing from school at 9.25 a.m. and returning at approximately 11.05 a.m.**

The event, including transport, is fully funded by Essex Skills Board and “Make Happen” which is part of the Essex National Collaborative Outreach Programme (NCOP)

*‘Make Happen is a collaborative programme to inspire young people, raise aspirations and promote interest in Higher Education as a route to achieving their ambitions’.*

If your child has any medical conditions of which we are not already aware, please advise the school prior to the trip taking place.

We hope the students find the event very useful and that they make the most of conversations with the employers and education providers on the day.

Should you have any questions, please do not hesitate to contact me, via the school reception.

Kind Regards.

Yours faithfully

A Barnes (Mrs)  
Subject Leader Drama, Co-ordinator for Careers, Advice & Guidance
