Dear Parent/Carer

Potential Ramsey Academy Ski Trip.

The Parent Voice forum group, have requested that due to the increased number of pupils at the school we investigate the possibility of running our own Ski Trip. In previous years we have joined with Notley High School and a few pupils have been included in their trip. However, this is no longer viable and as a result Ramsey has not been involved in a ski trip this year.

Ski trips are an amazing experience for the students but they can be an expensive. Due to this we are investigating the feasibility of a trip taking place in **February 2021** to enable parents and guardians the opportunity to spread out payments, allowing pupils to attend.

As we are looking at dates in **February 2021** I am unable to obtain an exact price of the trip as the ski companies only releasing the prices up until 2020. I am estimating the cost of the trip to be in the region of **£800 - £1,000.**

This purpose of contacting you is to gauge the number of pupils that are seriously interested in attending a ski trip run by Ramsey Academy. There is no commitment or payment required attached to this letter, we are purely assessing the potential demand in the trip so further discussions can take place with ski companies to organise the trip.

If this trip is something that you would be interested in and something that is financially achievable for you, please complete the slip at the bottom of this letter and return it to Mr Child.

Unfortunately, if there is insufficient interest for the trip we will be unable to run a ski trip as there are minimum numbers required to make the trip viable.

Yours faithfully

M Child
Head of Physical Education

To: Mr Child, The Ramsey Academy, Physical Education Department
