Rob James

5 November 2019

Dear Parent/Carer

Year 7 Target Setting Information Evening

On Thursday 14 November there will be a Year 7 Target Setting Information Evening. During this evening there will be a presentation by Mr James providing an overview of the flightpath system and the Achievement Award followed by some time to meet with your child's tutor during which you will be given your child's flightpaths.

For every subject your child studies we set a target of what we would expect them to achieve when they sit GCSE examinations in Year 11. This enables us to continually monitor students' progress. For each subject, students are given an expected 'Flightpath'. This indicates the grade we would expect at GCSE, assuming satisfactory progress is made.

The presentation will start at 4.30 p.m. in the Hall. Students do not need to attend. We look forward to meeting with you.

Yours faithfully

C P Leys
Head of School
